Vaccine Agreement

At Pathway Pediatrics we are dedicated to provide the best care for every child we see. Because the health of our patients is our highest priority, and because we believe in the safety and efficacy of vaccines, we require all our patients to vaccinate with required childhood immunizations. All of our providers have followed this schedule with their own children. We require our patients to adhere to the recommended schedule for childhood vaccines.

You will be notified if your child has not completed the routine vaccinations as scheduled. You will have the opportunity to bring your child in for a well visit and/or immunization visit after notification. If you do not bring your child in for immunizations after notification, Pathway Pediatrics reserves the right to dismiss your child from its practice. It will be at the discretion of Pathway Pediatrics to dismiss patients on a case by case basis.

It is of utmost importance for the safety of your child and for other children in our practice that your child stay current with immunizations. If you have questions regarding immunizations, please ask to speak with a nurse or provider.

I agree to follow the recommended guidelines for immunizations for my child and will adhere to Pathway Pediatrics policy on immunizations as outlined above:
